

Mrs. Clifton's News

October 21, 2016

~The children had fun with their “senior buddies”, making pictures this week. It is nice for the smaller children to spend time with the older students.

~Checklists went home with the student’s today. Please sign them and return them Monday.

~Student pictures went home today. I am sorry some of your children didn't get their pictures. It was a problem on the photography studios end. Picture remakes are Tuesday. Your child will have their pictures made that day if they didn't come home with them today.

~We had a electrical issue in the building on Thursday. The fire alarm went off and notified the fire department and they came to the rescue. The hard part for our children is that it was 2:00 and they were all asleep. We had to drag them up and get them out of the building quickly for safety. Some of them were scared, so I wanted to clarify what happened. We were locked out of the building for about 30 minutes or so. ACA puts safety first in this type of situations.

~Science night is Tuesday night from 5:30-7:30. It will be a fun learning experience for everyone. Please make plans to attend and bring a friend.

17 Percent of the elementary parents have donated to the Annual Fund!! Thank you!!! Wednesday, student's will be allowed to wear their favorite team's shirt and blue jeans. Please consider donating for the improvement of ACA. If we reach 25 percent by Friday, the children can wear their halloween costume to school on Friday.

Please send a pumpkin this size, between 5 and 6 inches tall, to school on Monday. We will be decorating pumpkins.

We will have a fun fall day on October 31. We will carve a pumpkin and have a special pumpkin story, we will also have a special snack. Holiday's are such a fun time for the children.

Lesson Activities

Reading: We will be learning letter Nn this week. We will be writing, recognizing and picking out beginning sounds.

Math: We will be learning number 7, (recognizing, writing, and one to one correspondence).

Science/Social Studies: We will be discussing the pumpkins.

Bible: “ Abraham and Sarah”
