Class Notes

- Be looking for an email each weekend with the weekly newsletter attached.

- I will be sending nap mats home every other Friday. Please wash them and return the following Monday.
- Remember if you would like for your child to order lunch for the upcoming week, you need to send lunch money on the Friday before. Please send a check if possible for lunches. If not, send correct change. If you are ordering for the month or year, your lunch payment will be added to your account. Lunches missed will not be credited to your account.
- I am seeing a lot of backpacks, water bottles and lunch boxes without a name on them. Please label everything with your child's name.
- Please return home/school bags and behavior calendars each day.

Lesson Activities

~Reading: We will be starting letter "li". We will be working on recognizing, sounding, writing and picking out beginning sounds of each letter. Please reinforce what we learn at school by practicing at home.

~Math: We will be learning number 1 and counting to 5. We will practice counting objects on the smartboard with each number.

~Science/Social Studies: We will be learning school rules and how to get along in our classroom.

~Bible: We will be talking about the Bible and why it is the most important book.

Thank you for sharing your child with me! We are going to have a great year!
