

# **Mrs. Clifton's News**

**September 12, 2016**

**Say hello to our new friend, Jude. We are so excited to have him join our class. His family just moved here from Mississippi.**

**\*I will begin sending a homework sheet home with your child on Tuesday and Thursday nights. Please help them with it and return it the following day. This is a good way for your child to get some good one on one practicing time.**

### **Lesson Activities**

**Reading: We will be reviewing li, Ee, Uu, Aa, and adding Oo. Please work with your child to be sure they recognize the upper and lower case letters, and know the sound of the letter. I will be testing the children this week to make sure they know the vowels. I will put a note in your child's home/school bag to let you know what to work on.**

**\*The most important way to make your child a successful reader is to read to them. Please make this part of your nightly routine.**

**Math: We will be reviewing numbers 1, 2,3,4, and adding number 5 (recognizing, writing, and one to one correspondence).**

**Science/Social Studies: We will be studying apples this month. We will have apple stories, crafts, painting, activities, special snacks and end the month celebrating Johnny Appleseed!**

**Bible: “ The Creation of the world”**
