

Mrs. Clifton's News

September 5, 2016

Hope you all have a wonderful long weekend!!

*The children are doing a great job working hard during learning time. We even added some group time with IPADS Friday. If you have an IPAD or phone they play on at home, StarFall is a great app to get. There is a free version and an upgraded version for a fee.

*Please send small treasures for our treasure box. Individually wrapped candy, (smarties, dumdums,

mini air heads, laffy taffy, pencils, stickers, or erasers). These are the best suggestions. Please **don't** take you child to the dollar store and tell them to pick some things out. They pick out big toys.

Lesson Activities

Reading: We will be reviewing li, Ee, Uu, and adding Aa. Please work with your child to be sure they recognize the upper and lower case letters, and know the sound of the letter....e like egg, i like inchworm, u like umbrella, o like octopus and a like apple. The letters pick up quickly and it becomes overwhelming to the child when new letters are added on and they haven't learned the old letters.

***The most important way to make your child a successful reader is to read to them. Please make this part of your nightly routine.**

Math: We will be reviewing numbers 1, 2,3, and adding number 4 (recognizing, writing, and one to one correspondence).

Science/Social Studies: We will be studying apples this month. We will have apple stories, crafts, painting, activities, special snacks and end the month celebrating Johnny Appleseed!

Bible: “ The Creation of the world”
